

Calling President Obama

With hundreds of thousands of U.S. auto workers facing an industry-wide Armageddon, the IAM is joining the United Auto Workers (UAW) in an urgent appeal to union members nationwide: Contact President Obama today at 1-202-456-1414 and urge him to stand up for autoworkers and retirees.

CALL TODAY!

The Obama administration established deadlines for the restructuring of Chrysler and General Motors. Before the federal government will provide additional assistance to the automakers, the restructuring of Chrysler must be completed by the end of April, and the General Motors restructuring must be completed by the end of May.

CALL TODAY!

Despite significant sacrifices from UAW members, anti-union forces are lobbying hard for the elimination of union contracts, the scuttling of pension benefits and even the firing of elected union leaders.

CALL TODAY!

The UAW is actively involved in the restructuring negotiations, which includes the Obama auto task force, Chrysler and GM management, Fiat, bondholders and secured lenders, dealers, parts suppliers and other stakeholders. These negotiations will have a major impact on wages and benefits for active and retired UAW members.

CALL TODAY!

It is essential that we do not allow union members, retirees and their families to become inadvertent casualties or deliberate scapegoats for a crisis they had no part in creating.

Call President Obama at 202-456-1414, or send an [e-mail](mailto:iam@whitehouse.gov) to the White House at <http://www.whitehouse.gov/contact>.
